

For your information...

Our website address is www.hopechurchni.org
Here you will find out; who we are, what's on, sermons and how you can get involved.

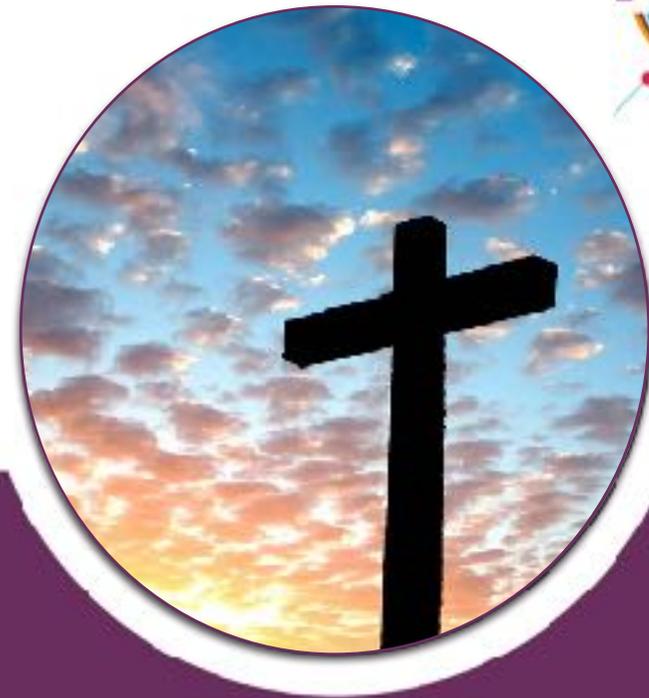

If you would like recordings of any of the services please speak to Bill/Mandy or a member of the sound team. All are available on request.

Intern opportunity: Do you have a desire or feel called to serve in the local church? Why not spend a few hours each week here, with us in Hope Church, exploring what this might look like. If you are interested in this or know anyone who might be come and chat to Bill about a possible intern opportunity.

Sound/Media Team: Are you passionate about sound and media or would you like to learn a new skill? We are always looking for ways to expand our sound and media team so if this is an area you are interested in please speak to Bill.

Tiny Treasures: Thank you so much to those who have volunteered. However there is still more help needed! Our creche is continually growing and we need your help to facilitate it. Please chat to Fiona if you think you can help in anyway.
